Situated uniquely in a cultural and artistic centre and against the background of Kilkenny's beautiful medieval city, the magnificent 18th Century Club House Hotel maintains a 200-year-old tradition of effortless comfort, hospitality and efficiency.

The Club House with its wonderful Georgian architecture, detailed plasterwork, elegant brass fittings, splendid crystal chandeliers and genteel atmosphere, still offers all that you would expect from a quality modern hotel with the personal attention of its owner Mr Jim & Ian Brennan.

The Club House's 35 en-suite rooms are full of character and vary in size and shape. The different wings are decorated in the style of their period. All rooms are equipped with full en-suite bath/shower, direct dial telephone, hair dryers, multi channel television, and tea/coffee welcoming tray. Wireless modem internet access, CD, & DVD players are also available on request.

Complementary, secure, off street private car park is an added bonus with The Club House's location in the heart of the city; just minutes walk from shopping and all amenities.

We are a distinctive venue in the city centre for corporate conferences, training and seminars, offering four reception rooms. Tailor made packages are offered to suit your needs including light refreshments, and a selection of lunch and dinner menus from Victors Bar or the Georgian Restaurant. Owners Jim and Ian Brennan along with a dedicated team of staff will be on hand to ensure that everything runs smoothly.
