

# Guest Car Parking

Dear Guest,

We are very much looking forward to welcoming you to The Club House Hotel next week. Due to essential maintenance, there will be no access to our car parking during your stay. Please see below for alternative parking options close to the Hotel. There is a set down area just opposite the hotel on patrick street should you wish to unload your luggage. If you require any further assistance, please do not hesitate to contact us,

Warm Regards,

Ian Brennan

General Manager
